At PECO, we’re committed to helping the communities we serve. That’s why we volunteer and provide more than $6 million a year to local community and nonprofit organizations across our region. We advocate for education, arts and culture, and environmental causes in our neighborhoods so we can build a stronger tomorrow together.

PECO is proud to support the annual Camphill School Gala.

Co-Chairs’ Message

On behalf of the planning committee we welcome you to the 2020 Camphill Gala. Even though we aren’t all together at Foxfield Farm. We are all together in our hearts.

We offer special appreciation to our planning committee and all our sponsors, donors, and advertisers. Your support and flexibility means so much!

Thank you for joining us... tonight you’ll get a tour of Foxfield, made possible by donors to last year’s Gala; see a joyful performance by our students, and be given the opportunity to support our program. This year we need you more than ever. We are grateful you have chosen to join our first ever Virtual Gala... enjoy your time with us.

Warmly,
Amy and Amy

Andrea, Thank you for being such a great house mom to me the last few years. You look for the seeds of promise in each of us to nurture and cultivate.

As I move into a new house this year, know that I will remember my time in your house forever. Love, Alex

Lydia Schulze Volunteer of the Year: John Gallagher

It is my pleasure to introduce the Lydia Schulze Volunteer of the Year, John Gallagher. John is an alumni parent who, for the past 15 years, has organized groups of Vanguard Employees to spend a day on our campuses making improvements. These hard-working folks have never met a mulch pile or painting project they can’t handle. John not only helps organize the group, he works with our Maintenance Supervisor, Bill Brunner, to plan the projects and even spends time on campus ahead of volunteer days preparing everything needed. The students and community are so thankful for John’s dedication and loyalty as he donates his time and talent year after year. He has introduced our school and mission to the good people of Vanguard and many of them look forward to their annual day of service because of him. John is amazing and this honor is much deserved.

Facilities Services

For more than 30 years CSI International Inc. has been a recognized leader in providing facility services including:

- Custodial
- Maintenance
- Mail Room
- Shipping & Receiving

We started in 1989 as a small family-owned janitorial company and have grown into a nationally recognized family-owned facilities services provider with over 2,000 service associates providing service excellence to commercial buildings ranging from 100,000 to 2 million square feet.

We attribute our growth to our commitment to exceptional service, outstanding support and a passion for quality. Throughout our evolution we have consistently provided the affordable, value added services our clients need enabling CSI International Inc. to build long term relationships and a reputation for continually exceeding expectations.
Social Distancing

This is strange. This is not how things should be. Is this going to be the new normal? We are six months in. While technology can help, we all need human contact. How do we cope – together yet separate? We are all struggling to come to terms with what is happening and how to heed the guidance of government officials and health agencies. How do we remain steadfast for ourselves, our children, our neighbors, our communities as we try to make sense of the world right now? Few of us have seen anything like this.

When this is all over, when things return to normal, will they really be normal? Can it be normal again? When this is all over, will we realize how badly we need each other? How badly having actual human contact is needed for our mental health. Will this be what makes us all realize there is more to life than our technology? Will not being allowed to be together makes us want it even more? Will this crisis make us realize the importance of visiting with one another face to face? Will this be the catalyst to social change? Literal social change. The kind that makes us get out from behind screens and our virtual lives and has us finally setting up that dinner with long-lost friends or making a better effort to visit relatives we push off for another day.

We are all in this together. We will all get through this together. When we do, let’s be together and remember what is was like when we weren’t.

Silent Auction Procedures

1. Silent auction closes on September 30 at 11:59 pm
2. Bidder with highest bid at close of auction wins unless bidder opts to “buy it now”
3. Each incremental bid amount is displayed on BidPal and constitutes a valid bid
4. Each new bid must be entered into BidPal (or a Max Bid may be set to allow system to bid on your behalf); only an authorized person may nullify a bid
5. Purchasers must respect times and limitations stipulated by donors.
6. Payment by successful bidder must be made via credit card used during registration or by check payable to The Camphill School only if arranged with school staff
7. All sales are final
8. Item pick-up will be made available. You will be contacted by a school employee or volunteer. Shipping can be arranged on a case by case basis.

Imagine the impact

**YOU** or **YOUR BUSINESS** could make!

The Camphill School can receive gifts through the **Educational Improvement Tax Credit (EITC)** program offered by the Commonwealth of Pennsylvania. Every gift made by a business or individual who has Pennsylvania tax liability through this program helps a student with limited financial means. The application process is easy, and the benefits to the school and to our students are significant. To learn more contact Courtney Coffman at 610.469.9236 x132 or ccoffman@camphillschool.org.

The Camphill School wishes to recognize the corporations that support our school and students not only financially, but also through their time, talent, and products. In order to distinguish these deeply committed organizations, The Camphill School established the Corporate Partners Program.

We are pleased to honor our 2020 Corporate Partners inductee: Carnevale Eustis Architects. Carnevale Eustis has designed buildings, additions, and building improvements. Among countless other projects big and small, the firm designed the addition to Rock Crystal at Beaver Run, Silver Maple house and the Sarah Jane Herman Education Center at Beaver Farm, and Meadowsweet Early Learning Center.

2020 marks the firm’s twentieth year of supporting the school. We are deeply grateful for the wonderful relationship that has developed between the school and Tom Carnevale and Lauren Eustis. The Camphill School looks forward to many more years of growing building!
